Information about the service

What is the service?

Aussie Broadband’s mobile phone service is a “SIM-only” service for use with existing mobile phone handsets.

Where is it available?

The mobile product of Aussie Broadband provides a 4G coverage footprint of 97% and a combined 4G and 3G coverage footprint of more than 98.8% of the Australian population covering 1.62 million square kilometres.

What do I need to access the service?

You will need an unlocked mobile phone handset that can access the 4G network.

You can either request a new phone number with this service, or port across an active number from another carrier.

Minimum term of the service

Minimum term of this service is one month – this is a month-to-month service with no contracts. If you wish to change plans, your change will be queued to your monthly anniversary date of switch-on.

What is included?

Features of this service include all calls, SMS and MMS (multi-media messages) to mobile or fixed phones within Australia, voicemail and calls to 13, 1300 and 1800 numbers, plus additional features as per your chosen plan.

Do I have to bundle anything with the service?

No, you do not have to bundle anything with this service.

Qualifications

Please note that this service may be suspended and/or cancelled if you fail to pay your bill, you abuse our staff or

you breach our fair use policy (available at <https://www.aussiebroadband.com.au/legal/>).

Aussie Broadband does not provide access to Premium call services such as 1900 numbers.

In Australia, data usage will stop working on your phone once you hit your limit. Top-ups are available via the [MyAussie](#) portal or app. For international data usage see “international roaming”.

Other information

Call and usage information

You can check your usage via the [MyAussie](#) portal, which is also available as a free app via Apple or Android. You will also receive notifications by SMS to your device when you hit 50%, 80% and 100% usage.

International roaming

International roaming is disabled by default and can be turned on by contacting us. Once enabled, it will automatically activate when entering 67 selected countries (even in airplane mode). A full list of these countries and their rates is available at

<https://www.aussiebroadband.com.au/phone/mobile/>

In summary, cost is either:

- Travel pack (58 countries) - \$12 per 24 hours including international calls and texts to 58 countries and 200MB of data. If you exceed your daily data usage, you will incur additional costs at the relevant PAYG rates for the country you are in. OR
- Non travel-pack (9 countries) – relevant PAYG rates for the country you are in
